

Hosted Buyer Programme for Exhibitors

Hyve Connect - Matchmaking System

By using Hyve Connect app, you get to create a goal-oriented network within the Hosted Buyer Programme, which invites senior decision makers to the exhibition.

On this slide, you can find tips on how to use app and make the most out of the Hosted Buyer Programme

What is Hosted Buyer Programme?

BEAUTYEURASIA Hosted Buyer Programme organised by Hyve Group plc offers new procurement, business development, new business and partnership opportunities to exhibitors.

With the Hosted Buyer Programme, you can get up to speed with the latest developments within the industry, meet potential buyers and make the most out of your time at the exhibition.

More than 800 B2B meetings were held between hosted buyers and exhibitors while more than 1,500 meetings were organised between visitors and exhibitors.

We will announce you when the Hosted Buyer Programme details are ready

How to register and use Hyve Connect?

Step 1

Login to the system through the app link using the username and password sent to you. Do not forget to enter your Company Profile information correctly. Please keep in mind that buyers will use this information when contacting you!

Step 2

Create your team! Add your team players at Teams tab to share meeting requests with your colleagues. Please do not forget to remind your colleagues to complete their member profiles after adding them as a team player.

Step 3

Your team is ready! Now you can start your network on app and able to search new senior buyers according to your sector keywords.

Step 4

Download the app to your Android or IOS devices! Now you can manage your Hosted Buyer profile on mobile devices with The Application and schedule meetings.

Step 5

Please do not forget to specify the meetings location. You can arrange meetings on your booth or Hosted Buyer Lounge (to be defined)

Step 6

If you have any questions, please contact us melis.kececi@hyve.group
